Product description

Coloured crepe paper in rolls that you can use to make lots of beautiful things. You can get crepe paper in many different colours, and no matter which one you choose, you are guaranteed a lot of creativity and contemplation. This type of crepe paper is especially popular when it comes to decorating your party room or home. You can make garlands in different colours and hang them from ceiling to create a beautiful, festive play of colour. Crepe paper is therefore always smart to have in stock when birthdays, weddings and other festive events are approaching. If you are crazy about crepe paper and its many qualities, you can always buy several different types here on the website. If you have several types of crepe paper in your crepe drawer, you will never run out of exciting crepe projects.. The light crepe paper is a popular with hobbyists. It has a small 15% stretch and is perfect for creative projects where ordinary paper becomes too stiff. You can fasten it with either a glue stick or a stapler. The crepe paper also comes in smart rolls, which you can easily roll out and up again after use.

Please note: The paper can lose its colour if it gets wet.
