Product description

Wiggly eyes with movable pupils and self-adhesive backing that you can use to bring homemade dolls, animals and figures to life. The popular wiggly eyes are also called googly eyes. In fact, wiggly eyes are far from the only kind of eyes you can use for your creative projects. If you are exploring the hobby universe, you will find a wide assortment of eyes, such as safety eyes, teddy bear eyes and doll eyes. And if you want a bit of extra fun, you can always try 3D eyes, which are known for their many funny expressions. However, all the eyes have one thing in common: they bring life and personality to any item they are put on. So remember to keep an eye out for all the exciting eyes that you can make a part of your creative projects. Our wiggly eyes with moving pupils are eager to give home hobby projects more personality and add life to your decor. They quickly and easily stick to different materials, and their multiple uses make them a hit with both children and adults.
